Eco Expo Asia Opens Next Week in AsiaWorld-Expo Start-ups, New Technologies and Eco Vehicles among Highlights

19 October 2017 – The 12th edition of Eco Expo Asia, jointly organised by the Hong Kong Trade Development Council (HKTDC) and Messe Frankfurt (HK) Ltd and co-organised by the Environment Bureau of the Hong Kong SAR Government, will run from 26-29 October (Thursday to Sunday) at the AsiaWorld-Expo (AWE). The fair will feature nearly 340 exhibitors from 19 countries and regions, showcasing latest green products and technologies.

Secretary for the Environment Wong Kam-sing will be the guest of honour at the opening ceremony. Debuting this year will be the Startup zone, which comprises 15 start-ups from Hong Kong, the Chinese mainland, Singapore and the United States showcasing their innovations. A series of eco-vehicles and charging devices will be on display at the Green Transportation Zone, with test-drives and rides available for selected vehicles.

The final day of Eco Expo Asia (Sunday 29 October) is **open to the public**. Public visitors will be able to purchase the latest eco-friendly products at the Green Mart and attend various green workshops and forums.

Meanwhile, the second Hong Kong International Outdoor and Tech Light Expo will be held concurrently at the AsiaWorld-Expo. In line with the smart lighting trend, the Expo will set up a new Lighting Solutions and Systems zone, featuring various kinds of energy-efficient and cost-cutting technologies.

You and your representatives are cordially invited to cover the fair and related events.
